Need help connecting to our Wi-Fi?

1. Select “SwanDolphin” from the available Wi-Fi networks on your mobile device.
2. Open your web browser and fill out the form; choose either Swan or Dolphin hotel, enter your last name, room number and then tap the “next” button.
3. You will then be prompted to select a rate plan. You can then choose the complimentary option or to upgrade to high speed internet for an additional charge.
4. You should now be connected to the resort Wi-Fi. | For support call 1.888.266.1096.

CHECK IN TIME IS 4PM

Your thermostat defaults to a temperature of 72°F. While you are in the room, you can adjust the temperature between 65°F and 80°F. When your room is unoccupied for a period of time, the temperature will reset to the defaulted 72°F. Please allow a few minutes for the system to adjust the temperature after you return to your guest room. Please feel free to contact the Front Desk if you have any questions.
